

THANK YOU 2017 MANUSCRIPT REVIEWERS

In addition to members of The Hastings Center staff, the following individuals served as reviewers in 2017 (or late 2016). We apologize if we have missed anyone.

Emily Anderson

Loyola University

Deborah Barnbaum

Kent State University

Ariella Binik

University of Oxford

Brandon Brown

University of California, Riverside

Stephanie Solomon Cargill

Saint Louis University

Mildred Cho

Stanford University

Carl Coleman

Seton Hall University

Jantina De Vries

University of Cape Town

Raymond De Vries

University of Michigan

Rebecca Dresser

Washington University

Neal Dickert, Jr.

Emory University

Celia Fisher

Fordham University

Bruce Gordon

University of Nebraska

Sharon Hoffman

Case Western Reserve University

Gavin W. Hougham

Battelle Memorial Institute

Elisa A. Hurley

Public Responsibility in Medicine & Research

Ana S. Iltis

Wake Forest University

Lynn Jansen

Oregon Health & Science University

Nancy M. P. King

Wake Forest University

Scott Kim

National Institutes of Health

Rebecca Kukla

Georgetown University

Emily Largent

University of Pennsylvania

Stephen R. Latham

Yale University

Naomi T. Laventhal

University of Michigan

Charles Lidz

University of Massachusetts

Alex London

Carnegie Mellon University

Allison Mathews

The University of North Carolina
at Chapel Hill

Jon Merz

University of Pennsylvania

Marilyn Morris

Columbia University

Barton Palmer

University of California, San Diego

Allan B. Peetz

Vanderbilt University

Jeffrey M. Peppercorn

Harvard University

Suzanne Rivera

Case Western Reserve University

W. Courtland Robinson

Johns Hopkins University

Lainie Friedman Ross

University of Chicago

Mark Rothstein

University of Louisville

Erin Rothwell

University of Utah

Lauren Sankary

Cleveland Clinic

Lois Shepherd

University of Virginia

Paul Stiles

University of South Florida

Tom Tomlinson

Michigan State University

Jennifer Walter

Children's Hospital of Philadelphia

Charles Weijer

Western University

Lori Weiner

National Cancer Institute

Kathryn L. Weise

Cleveland Clinic

Danielle M. Wenner
